

Palmer's Cove Yacht Club Application for Membership

Instructions

The process to apply for membership in Palmer's Cove Yacht Club starts with your sponsors. You need two (2) member sponsors to sign your application, effectively recommending you for membership. The application is straightforward, and we require full and complete disclosure by completing each field or question in the application form. The information you provide will be reviewed by the Membership Committee, and any other officials of the Club as may be necessary to determine eligibility and acceptance. In addition, the Club may inquire of outside sources as part of a background investigation. Your submission of your completed application and the accompanying information release is considered your authorization to proceed with the application review process.

Your name will be placed on the membership waiting list in the order in which your application was received with the required \$225.00 deposit. The waiting list will determine the sequence of admission to membership based upon available openings. The Club presently has a 350-member limit, and new members are taken from the waiting list each year to fill the limit. Please note that according to Club by-laws, family members of existing members are given preference and may bypass the waiting list and the membership cap.

Please complete the application form and return it to your sponsor with your deposit of \$225.00. You may also return it directly to the Membership Committee in care of the PCYC office, 78 Leavitt Street, Salem, MA 01970 (978-741-2566)
