WINDJAMMER'S REPORT

The awards Banquet was a huge success. This is culmination of the season where we recognized the success of our racing sailors. It also permits those of us that sail the opportunity to renew acquaintances, meet fellow sailors, and generally enjoy the companionship of people of like mind. This past year we had many goals to try to establish as a racing committee.

1. The formulation of rules, & regulations that would be applicable every year.
2. All racing boats would have a legitimate handicap as established by a central committee for widespread area of PHRF NG.
3. The establishment of a Salem fleet PHRF.
4. A racing series that would not inhibit those of us that preferred to race & crew or cruise.
5. Beat Jubilee

We realize that many of these goals the one we didn't make wasn't from the lack of trying, but with the many dedicated sailors from the club I'm sure next year will be our year. Let's Keep Trying!!!

During the banquet I received an interesting message delivered in a most unusual way, with a Belly Gram for whoever was responsible, Thank You.

WINDJAMMER'S REPORT (con't)

On tap for next year we promise to bring another exciting season, maybe a major race sponsored by P.C.Y.C. many things pending on this. We are host club this next year for the annual Jubilee P.C.Y.C. invitational race. Lets make this our winning year. As always we are open to new suggestions for the racing season, including new types of races. These must be submitted before we set up the racing schedule for the season and any club activities.

At this time I would like to thank everyone who helped make this season a huge success. To the regatta Committee who put up many meeting's and long hours for the new rules & regulations, the power boaters that volunteered their crafts as committee boat, the people who served on the committee boats, and special thanks to Dick Denis and Betty Henderson who served on the Jubilee Race and also to Stu Gauss for volunteering the Starters Cannon. To the Officers and members that volunteered their help.

Thank you
Stan Winchester, CHAIRMAN

CRAFT FAIR REPORT

I would like to express my sincere Thanks to all who helped make the first Craft Fair at our club such a resounding success. The Crafts people, those who donated gifts for the raffle, and food for the baked goods table, to the ticket sellers, to Ray Boucher who out did himself with the Fantastic chowder, Dave Barnes who printed and donated all the flyers and posterboard for the advertising, and especially the Buyers. I could go on and on but prefer to say just Thank You. If anyone has any input, positive or negative please feel free to pass it on as we would like to repeat this in the future.

Thank You
